Quinte 1 1/3'
Krummhorn 8'

Pedal:
Subbass 16'
Oktavbass 8'
Posaune 8'

couplers:

normal couplers

remarks:

The front of the case was made in 1902. All other parts of the case and all parts of the organ are made in 1988.

The organ is in ideal condition.

It is possible to see the organ at any time.

It is a very well done example of german organ building of that period.
