depth:	160 cm

disposition:

Manual
Holzgedackt 8'
Rohrflöte 4'
Prinzipal 2'
Quinte 1 1/3'

Pedal angehängt

remarks:

Positive in the time-typical design of the late 1980s, lovingly constructed, perfect as a house organ or for small churches / chapels. The final assembly of the instrument is not completely finished: The mechanics must be partially installed and the pipe work needs intonation.
The instrument has been stored properly and has not yet been in operation, so the parts are not dirty and many components are new.

Sell against bid on behalf of the customer.
Location: Ruhrgebiet
