height:	238 cm
width:	155 cm
depth:	144 cm

### disposition:

Gedackt 8'  
Rohrflöte 4'  
Prinzipal 2'  
Quinte 1 1/3'

### remarks:

This instrument was originally the masterpiece of master organ builder Stephan Mayer from 1996. All materials used and the workmanship meet high quality standards. The organ can also be played without a motor by means of a bellows lever.  
In 2015, the original single-manual high positive was supplemented with a pedal keyboard and a coupler manual, thus significantly expanding the practice possibilities.
