Trompete 8'
Piffaro 4'+2'
Gedeckt 8'
Subbaß 16'

couplers:

couplers as pistons,
Tremulant

remarks:

Completely mechanical instrument of the organbuilding Richard Rensch from 1957.

Due to the room conditions unusual arrangement of great and pedal.

Fully functional, but it has not been used since 6 years and it has not been maintained since 8 years.

Viewing possible at any time.
