Open Diapason 16'
Subbass 16'

couplers:

Koppeln:
Swell to pedal
Great to Pedal
Swell to Great
Swell octave

4 Divisionals (feste Kombinationen)

remarks:

Well-preserved harmonium from the traditional factory Rushworth & Dreaper in Liverpool. Ideal as an instrument for practicing at home or in small chapels with rich English sound.

In addition to the original organ bench and the radial pedal, the instrument has a modified parallel BDO pedal keyboard and a continuously height-adjustable bench.

The engine is in a separate box.

Sales on behalf of the customer.
