couplers:

Koppel
Hauptwerk - Pedal

remarks:

This organ was built according to historicizing specifications as a fully mechanical baroque instrument. The blower and reservoir is located in the basement under the instrument and ensures a lively wind. The 15-stop instrument lacks 5 stops, but the soundboard is fully prepared for later installation.

Dimensions of the wedge bellows:

H 178cm x W 125cm x (D 280cm + 50cm engine)
